COLLEGE OVERVIEW

Founded in 1963 and part of The City University of New York (CUNY) system, Kingsborough Community College's beautiful 70-acre waterfront campus is located in Manhattan Beach, on the southern tip of Brooklyn, New York. Kingsborough Community College (Kingsborough) is located at 2001 Oriental Boulevard, Brooklyn, NY 11235-2398

Selected as one of the top four (4) community colleges in the country by the Aspen Institute, Kingsborough Community College offers a wide range of credit and non-credit courses in the liberal arts and career education to all students with a high school diploma or GED. Most classes have fewer than 30 students, allowing professors to teach through hands-on learning and group discussions, using the latest technology, such as smart classrooms and video-conferencing rooms.

Kingsborough's academic calendar is divided into two (2) major semesters, each consisting of a 12-week module, followed by an optional six (6) week module. A unique 2-for-1 policy allows most NYC residents who enroll in the major semester as a full-time student to attend the six (6) week module for free.

Kingsborough offers a number of programs for special populations including the "My Turn" program, which allows New York City residents, age 60 or older to attend college tuition free; "College Now," a unique partnership with area high schools to prepare students for college-level work that is now being replicated by colleges throughout the city; and "New Start," which offers students who have had difficulty in college a second chance to successfully complete college.

Kingsborough serves approximately 20,940 students taking credit courses and another 22,000 students taking non-credit and continuing education courses.

HISTORY

- October 30, 1962 – Gustave G. Rosenberg, Chairman of the Board of Higher Education, appoints a committee, chaired by Ms. Gladys M. Dorman, to investigate the needs for another community college in Brooklyn. New York City Community College was already in existence in Brooklyn. The committee recommends the establishment of the community college. The Board of Higher Education accepts the recommendation and presents the recommendation to the Trustees of the State University of New York.
- September 12, 1963 – The State University of New York approves the establishment of Kingsborough Community College.
- January 17, 1964 – The City Planning Commission suggests 4 alternate sites as the possible location for Kingsborough Community College: Ebbets Field area, the Fulton Park area, the Atlantic Terminal renewal area, and the Stillwell Avenue-Belt Parkway area.
- April 20, 1964 – The City Planning Commission approves the establishment of Kingsborough Community College at Manhattan Beach against the wishes of its Chair, William F. R. Ballard.

In the absence of a college campus, the college opens at two locations: a former Public School 98 on Avenue Z in the Sheepshead Bay area and a Masonic Temple located at the corner of Clermont and Lafayette Avenues in Mid-Brooklyn. The former maritime station at Manhattan Beach, which was made available by the federal government, becomes the site for the permanent campus of Kingsborough Community College and replaces the two temporary locations.
- Spring of 1965 – A 60-acre tract of land is formally deeded to the Board of Higher Education. Two military classroom buildings are rehabilitated for classes.
- Fall of 1966 – Classes begin on the Manhattan Beach campus of Kingsborough Community College. Enrollments increase so rapidly that additional classroom facilities are needed, prompting the rental of space at the Manhattan Beach Jewish Center on West End Avenue.
- Joseph Shenker, Acting President 1969 – 1970
- Theodore Powell, President 1970 – 1971
- January 1968 – The Board of Higher Education approves the Master Plan for the Kingsborough Community College campus and architectural drawings are completed for the permanent campus. Construction of a series of eight temporary buildings is initiated to house classrooms, laboratories, a library, a cafeteria, offices, and a gymnasium. The temporary buildings are located in the northeast quadrant of the campus so as not to interfere with permanent construction.
- Fall of 1973-Completion of construction of the eight temporary buildings and groundbreaking occurs for Phase I of the New Campus Construction. US Senator Jacob Javits attends Land Grant ceremony at Kingsborough deeding six more acres of land to the college from the federal government.
- Leon M. Goldstein, President 1971 – 1999

Mission

Kingsborough shares and extends the proud tradition of the City University of New York, which historically has served the educational, social and vocational needs of the City of New York and continues to do so. The College maintains an open admissions policy serving a culturally diverse community reflective of one of the most international cities of the world. Despite their differences, all of our students share in a college-supported value system that includes choosing a vocation that will provide for themselves and their families, a search for self-fulfillment, participation in and contributions to their communities, curiosity in their world, and a search for greater empowerment in their own lives.

Kingsborough serves a geographic area that is defined largely by the realities of commutation (distance, time and cost). Every attempt has been made not to duplicate programs and services that are offered at its sister schools within the CUNY system. Although it offers what amounts to a core curriculum of liberal arts courses that have been articulated with the senior colleges within the CUNY system, it still maintains a focus on specialized courses, curricula, and programs that meet the cultural and educational needs of the surrounding community. Consequently, KCC has developed concentrations in such areas as business, early childhood education, human and public services, health and related services, and marine science and technology.

Kingsborough offers students the opportunity to accelerate their programs of study through the structure of its academic calendar. The fall-winter semester consists of two units, one 12 week required module, and one six-week optional module. The spring-summer semester follows the same structure. A major benefit of this calendar is that it permits students to progress through their chosen programs of study and earn an associate's degree at an individual pace. This calendar also makes possible completing remedial courses, where necessary, during either the 12 week or six week modules.

Kingsborough has initiated and continues to support several major collaborative programs that have drawn the College closer to the secondary schools with College Now, Diploma Now, and the Kingsborough High School for the Sciences. It offers a Bilingual program, a College Discovery Program and a Liberty Partnership Program.

The City University of New York ("University" or "CUNY"), located in a historically diverse municipality, is committed to a policy of equal employment and equal access in its educational programs and activities. Diversity, inclusion, and an environment free from discrimination are central to the mission of The University.

It is the policy of The University—applicable to all colleges and units—to recruit, employ, retain, promote, and provide benefits to employees (including paid and unpaid interns) and to admit and provide services for students without regard to race, color, creed, national origin, ethnicity, ancestry, religion, age, sex (including pregnancy, childbirth and related conditions), sexual orientation, gender, gender identity, marital status, partnership status, disability, genetic information,

It is also The University's policy to provide reasonable accommodations to applicants, employees and other persons on the basis of disability, religious practices, pregnancy or childbirth-related medical conditions, or status as victims of domestic violence/stalking/sex offenses.

This Policy also prohibits retaliation for reporting or opposing discrimination, or cooperating with an investigation of a discrimination complaint.

Affirmative Action Policy

The University's overall policy on Affirmative Action of May 28, 1985 is part of CUNY's Manual of General Policy.

ARTICLE V FACULTY, STAFF AND ADMINISTRATION

Policy 5.04 - Affirmative Action:

RESOLVED, that the Board of Trustees of The City University of New York reaffirms its commitment to affirmative action and directs the Chancellery and the colleges to reemphasize the taking of the positive steps that will lead to recruiting, hiring, retaining, tenuring, and promoting increased numbers of qualified minorities and women. (Board of Trustees Minutes, 1985-05-28, Section 6-C)

Sexual Misconduct Policy

CUNY's Policy on Sexual Misconduct addresses sexual harassment, gender-based harassment and sexual violence. It outlines procedures applicable to students and employees for addressing complaints. The text of the policy statement follows:

Every member of The City University of New York ("CUNY") community, including students, employees and visitors, deserves the opportunity to live, learn and work free from Sexual Misconduct (sexual harassment, gender-based harassment and sexual violence). Accordingly, CUNY is committed to:

Defining conduct that constitutes prohibited Sexual Misconduct;

Providing clear guidelines for students, employees and visitors on how to report incidents of Sexual Misconduct and a commitment that any complaints will be handled respectfully;

Promptly responding to and investigating allegations of Sexual

Misconduct, pursuing disciplinary action when appropriate, referring the incident to local law enforcement when appropriate, and taking action to investigate and address any allegations of retaliation;

Providing ongoing assistance and support to students and employees who make allegations of Sexual Misconduct;

Providing awareness and prevention information on Sexual Misconduct, including widely disseminating this policy, as well as a “students’ bill of rights” and implementing training and educational programs on Sexual Misconduct to college constituencies; and

Gathering and analyzing information and data that will be reviewed in order to improve safety, reporting, responsiveness and the resolution of incidents.

This is the sole policy at CUNY addressing Sexual Misconduct and is applicable at all college and units at the University. It will be interpreted in accordance with the principles of academic freedom adopted by CUNY’s Board of Trustees.

CUNY has established the following policies. Links are accurate as of June, 2018.

They help ensure compliance with regulations and policies, foster an inclusive environment, and assist in developing, maintaining, and implementing the Affirmative Action Plan.

Committee(s) on Diversity and Inclusion

Kingsborough has a standing committee advising the President in formulating and implementing affirmative action policy; reviewing the impact of any policies on the College governance plan; developing and implanting strategic diversity plans and promoting College programs to reflect pluralistic values and goals.

Committee members in this Plan Year were:

The Achieving the Dream Committee's (ATD) desire is to create a campus culture that readily promotes and embodies equity. Equity has historically been at the center of the ATD mission. In 2015, College Council approved the Committee's Diversity statement and definition of Equity.

Diversity Statement

The administration, faculty, staff, and students at Kingsborough Community College believe that the college is best served by having a campus that is truly diverse. We strive to create a campus where the voices, talents, and skills of all members of the college are valued and respected, and where all members of the college community can thrive. We maintain that a student body, faculty, staff, and administration that reflect the diversity of New York City is vital for the success of our community, allowing opportunities for people with different perspectives, abilities and backgrounds to interact with and learn from each other. We at Kingsborough Community College believe that a focus on inclusive excellence – the proactive fostering of greater diversity, inclusion, and ultimately equity at every level of college life – will maximize success for all members of the college community.

University Management

The University's Office of Recruitment and Diversity reports summary statistics to senior management on a quarterly basis and provide periodic data files to the colleges. Details of University reports and diversity programs are provided here:

[Click for University Diversity Resources](#)

PART TWO: DATA AND ANALYSIS

The College analyzes data using multiple methods prescribed by regulation and best practice in preparing Affirmative Action Plans. No one method provides a complete picture, and none should be used as a sole measurement. Methods include:

- Workforce Analysis of employees within organizational units
- Establishment of Job Groups and relevant academic Disciplines
- Development of Labor Market Availability measures
- Utilization Analysis for Job Groups and Disciplines
- Review of Personnel Actions (e.g., Hiring, Separation, Promotion)
- Review of Recruitment Activity
- Review of Hiring from Civil Service applicant pools
- Review of Compensation.

Individuals interested in learning more about data analysis in Affirmative Action Plans may wish to refer to resources provided by the U.S. Department of Labor's Office of Contract Compliance Programs (OFCCP) at: [Click for U.S. Department of Labor Website](#)

The source for this review and all subsequent data is an extract from CUNY's system of record, CUNYFirst, of full-time active employees and employees on selected paid leaves (such as medical leave or fellowship/sabbatical leave) as of June 1, 2018. The population does not include student workers or individuals employed by CUNY's Research Foundation. We created this extract in July, 2018.

To evaluate representation by race/ethnicity, we use federally-mandated categories of Asian, Black/African American, and Hispanic. Employees who identify as American Indian/Alaska Native and employees who identify as "Two or More Races" are not listed separately, but are included in the Total Minority category. Employees identifying as Hawaiian/Native Pacific Islander are listed with the Asian category.

To evaluate representation by gender, we use federally-mandated categories of Male and Female.

WORKFORCE ANALYSIS

The Workforce Analysis is a review of protected groups (gender and ethnicity) organized by department/unit and presented by job title in descending hierarchical order.

The Workforce Analysis is intended to review overall representation of females or minorities by organizational unit and title/rank within unit.

Due to length, the Workforce Analysis charts are not included in the Plan.

The College conducted a self-identification canvas in May 2018 by contacting employees via email, encouraging them to update self-identification data. The College provided instructions and a Question and Answer document explaining the reasons behind collecting self-identification data, and stressing that providing this information was voluntary.

In total, **zero** employee at the College did not identify a gender and **one** employee either did not identify a race/ethnicity or did not completely specify one (for example, identified as non-Hispanic without providing a specific race). Anyone who did not specify a gender and/or ethnicity is included in the workforce analysis but not included in a protected group for further analyses.

JOB GROUPS, DISCIPLINES, AND MARKET DATA

We base further analyses on creating job groups consisting of job titles with similar responsibilities and opportunities for advancement. We conduct additional analyses for Faculty and College Laboratory Technicians with groupings based on instructional program (discipline) and academic department.

Appendix C presents further details of the titles included in each Job Group.

Job Groups

Job Groups are comprised of similar job titles based on duties, qualifications, and other conditions of employment. The University reviews groupings annually. The Exhibit on the following page lists the Job Groups and summarizes College staffing in each group.

Disciplines for Faculty and College Laboratory Technicians

Within each Faculty job group, we analyze utilization by academic program or discipline. The University codes its disciplines using the U.S. Dept. of Education “Classification of Instructional Programs” (CIP) and each College assigns its academic departments to the disciplines. On an exception basis, we calculate a blended labor market availability for interdisciplinary programs. Where multiple departments are assigned to the same discipline, Chief Diversity Officers may review a break-out by department.

We assign College Laboratory Technicians to one of two groups, based on assigned department: College Laboratory Technicians-Science, Technology, and Engineering, and College Laboratory Technicians-Other.

Appendix D details the academic program assignments used at the College for Faculty and College Laboratory Technicians.

Labor Market Availability

Labor Market Availability is the measurement used to benchmark utilization of protected groups. It represents the proportion of each protected group available for employment in the labor market from which we recruit.

The University calculates availability by job group and discipline, based on internal and external factors. The internal labor market is an estimate of eligible employees on a promotional path into a job group and has been calculated based on employee data in either fall 2013 or spring 2014. The external labor market uses location and qualifications of individuals available for employment, typically an education factor and a geographic factor. Educational data comes from “Earned Degrees Conferred” reports from the U.S. Department of Education (2013-2014 figures) and other information comes from the *American Community Survey of the U.S. Census* (2007-2011). Geographic factors may be National (generally for highest-level positions and faculty), Regional (the four-state region of New York, New Jersey, Pennsylvania, and Connecticut), or Local (New York City).

CUNY reviews and updates Labor Market Availability figures every other year. There were no updates made to the availability data this past year.

Appendix C (previously referenced) lists availability factors and weightings.

UTILIZATION ANALYSIS

Discussion

The College reviewed its employee population by Job Group and protected class in comparison to Labor Market Availability for groups where there are five or more employees.

We report underutilization when significantly fewer minorities or women are employed than would be reasonably expected given availability. We report underutilization where the utilization is more than 20% below availability and the difference can be expressed as at least one full-time equivalent employee.

Job Groups and Disciplines for which there is underutilization are considered priorities for College Affirmative Action programs.

Appendix E details each individual Job Group/Affirmative Action Unit and Academic Program/Category (Faculty and College Laboratory Technicians).

Changes in underutilization from year to year may arise from multiple factors. These include hires, separations (including voluntary separations and retirements), updated Labor Market Availability and changes to the composition of Job Groups or Disciplines. It is often not possible to pinpoint a single, direct cause, and it may not always be possible to anticipate and/or prevent increases in underutilization in borderline situations.

The following Exhibit summarizes staffing and underutilization for each job group with a comparison to the two previous years.

Utilization, Underutilization, and Placement Goals

A number of concurrent factors may influence changes in underutilization and it is not always possible to pinpoint an exact cause.

The fact that the University updated job groupings and Labor Market Availability for this plan year might influence findings for some groups, although typically these changes are not major. Employee turnover and opportunities to hire may also influence findings, especially with smaller groups. Also, individuals joined either from lower or higher groups, hired from other colleges or the result of an outside hire.

In the EEO Category of Staff and the Job Group of Administration 1, the total staff remained the same year over year. There were no changes reflected for gender and/or in any of the minority groups.

The EEO Category of Staff and the Job Group of Administration 2, we saw a decrease in total staff by 3 and at the same time, the underutilization of Asians remained at 6 since 2017.

The EEO Category of Staff and the Job Group of Administration 3, we saw an increase in total staff by 10, which reflects 9 females.

In the EEO Category of Administrative Support Workers and the Job Group of Administrative Assistant, there was a decrease in the underutilization of Hispanic/Latino (5-4).

In the EEO Category of Craft workers and the Job Group of Basic Crafts and Buildings and Grounds, there was a decrease underutilization from 2 to 1 for Hispanic/Latino.

OTHER ANALYSES

Personnel Activity

We review personnel actions for potential adverse impact, meaning personnel selections at different rates for different groups.

Appendix F provides detail on personnel activity by Job Group:

- Job Actions by Job Group and Ethnicity
- Job Actions by Job Group and Gender
- Faculty Tenure Actions by Department, Title, and Ethnicity
- Faculty Tenure Actions by Department, Title, and Gender

We compared employee title changes between reference dates (i.e., July 1, 2017 and June 1, 2018). The reports tracked hires, moves to a higher or lower Job Group, moves within a Job Group, and Separations.

Personnel actions involving employees who leave one Job Group to take a position in another are reported as two actions and are listed as having separated from one group and joined another group.

Tenure is a permanent status granted to Professorial Faculty and College Laboratory Technicians. Lecturers are eligible for a similar status, Certificate of Continuous Employment (CCE). Individuals are eligible after meeting service requirements. There is an additional review process for Professorial Faculty, involving departmental and College-wide Personnel and Budget Committees making recommendations to the President. The President reports approved candidates to the CUNY Board of Trustees. It is also possible in rare cases for a senior individual to be hired with Tenure. Faculty reported here received tenure/CCE status effective September 1, 2017.

The tenure report tracks the following statuses:

- Awarded Tenure
- Hired with Tenure
- Denied Tenure.

Recruiting Activity

Recruiting and selection take place within a process designed to promote both effectiveness and diversity. Prior to posting a position, the Chief Diversity Officer reviews and approves the posting language from the standpoint of any requirements that may impose bias. In most cases, the Chief Diversity Officer also creates and/or reviews a Search Plan outlining intended methods of outreach for the position.

Many hiring projects are conducted by a diverse Search Committee, particularly searches for faculty, administrators, and executives. The Chief Diversity Officer provides an orientation, or “charge”, to committee members on effective selection practices, including practices aimed at reducing the potential for bias. The CDO reviews the applicant pool for sufficient representation and certifies the pool prior to a review by the committee. The CDO reviews the list of individuals selected for interviews, and at the end of the recruiting process, approves the entire search.

The standard in evaluating recruiting data is referred to as Impact Analysis. Federal guidelines recommend that “Adverse Impact” may occur when any one group has a selection rate which is less than 80% of the selection rate of the group which is most frequently selected.

Appendix G summarizes recruiting, by job group, data based on currently available information about searches that were noted as officially concluded with a job offer between June 1, 2017 and May 31, 2018.

For some job groups, notably faculty, there is a time gap between offers and start dates. For recruiting reviews, we track timing on the basis of the close of the search (accepted job offer). Also, we report on all searches resulting in an offer, regardless of whether the search is cancelled at some point after an offer is made.

Currently, applicant categories follow the *Internet Applicant Rule* and consist of:

- Applicant (Qualified individual submitting an application for a specific position)
- Interview (Selected for an interview, and interviewed)
- Offer/Hire (Selected for the position)

As with many higher education institutions, there may be a gap in time between offer and hire for faculty members, as they are generally selected in the spring to teach the following fall. This time period can span two academic years. We report recruiting data based upon the date the search closes, and we report personnel activity data based on the employee’s hire date. Thus the number of hires in recruiting exhibits may not match the number of hires in the personnel exhibits.

In the normal conduct of business, the Chief Diversity Officer reviews applicant self-identification data and determines whether there is a need for real-time adjustments to recruiting and outreach plans in order to assure diverse, qualified applicant pools. The Chief Diversity Officer may require additional outreach prior to proceeding with selection and/or interviews should there be a concern that applicant pools are not sufficiently diverse.

- Total of 6 minority individuals obtained tenure
- 8 Female Associate Professors obtained tenure
- 2 Female Assistant Professors, including 1 Black/African Am obtained tenure
- 3 Female Lecturers, including 2 Hispanic/Latino obtained tenure

Reason:

Tenure is obtained after a minimum amount of time dedicated to teaching, service and scholarship, which are subjected to academic review. All candidates for tenure should exhibit satisfactory qualities of personality and character, and a willingness to cooperate with others for the good of the institution. Longevity and seniority alone shall not be sufficient.

Hiring from Civil Service Applicant Pools

The College participated in 2 University-wide hiring pools for Classified Civil Service hires. At a hiring pool, applicants who are pre-qualified based on a Civil Service examination score indicate their interest in working at one or more Colleges, and colleges make selections as per Civil Service regulations. These hires are included in the counts of employees hired in Appendix F and the counts of applicants in Appendix G.

The Hiring Pool includes:

1. CUNY Office Assistant (COA)
2. Campus Peace Officer (CPO)

Compensation

The University develops and manages pay plans according to title and/or bargaining unit. These include an Executive Compensation Plan (ECP), Faculty and Non-Teaching Instructional Staff Pay Schedules, and Classified Civil Service Plans for Managerial Personnel, Non-Managerial Staff, and Skilled Trades. Plans are subject to bargaining unit contracts, Civil Service regulations, New York City Comptroller's Determinations, and/or University policy, and these factors sometimes limit the flexibility of the pay plans.

We review policies such as:

- Setting of Starting Salaries
- Performance-Based Pay
- Pay Increases Upon Promotion
- Tracking of Compensation Decisions
- Document Retention Practices
- Assignment of Overtime/Additional Assignments.

We also review salaries by job group and title and evaluate areas where there is a discrepancy of 5% or more based on average salary as well as a material number of employees.

The Chief Diversity Officer and the Human Resources Director will discuss compensation best practices and areas of risk with members of the President's Cabinet, Fall 2018.

- Collection of all applications into a single automated system where pre-established screening practices relevant to the specific function may be applied
- A job application process where all candidates are automatically invited to self-identify race/ethnicity, gender, veteran status, or disability status; information is kept confidentially and used to analyze the composition of applicant pools
- A committee recruiting process by which a diverse team evaluates candidates according to consistent criteria and job-related interview questions
- An annual survey of newly appointed employees to identify potential areas of concern in how the College communicates with its candidates.

INTERNAL AUDIT AND REPORTING

The Chief Diversity Officer posts and distributes notices of non-discrimination policies, changes in regulations, and similar compliance information, and makes the Affirmative Action Plan available for public inspection. He/she also integrates compliance information into training programs for faculty, students, and staff.

The Chief Diversity Officer is responsible for audits and reviews of the effectiveness of College programs. This includes:

- Monitoring records of personnel activities, including new hires, transfers, promotions, and terminations
- Monitoring the status of employee self-identification programs
- Reviewing the effectiveness of recruiting outreach and advertising
- Monitoring complaints or incident reports which may indicate underlying trends
- Reviewing personnel activities and the Affirmative Action Plan with senior level officers

- Advising management of program effectiveness and provide recommendations for improvement.

The College maintains employment records in the central CUNYFirst system used to provide the data underlying Affirmative Action Plans. The Chief Diversity Officer works with Human Resources staff to assure College records are complete, accurate, and timely. Data quality is audited further by the University periodically throughout the year.

The University reports statistics and diversity metrics to the University Community and the CUNY Board of Trustees on a quarterly basis.

PART FOUR: INDIVIDUALS WITH DISABILITIES AND PROTECTED VETERANS

Federal regulations mandate that Affirmative Action plans be prepared to address the hiring and advancement of Individuals with Disabilities and Veterans. The topics covered in Part Four are similar to those covered in the other sections except that we analyze data in a simpler format and make comparisons based on federally-recommended benchmarks.

The sections of Part Four are mandated by regulation. They are:

- Policy Statement
- Review of Personnel Processes
- Review of Physical and Mental Qualifications
- Reasonable Accommodations
- Harassment Prevention Procedures
- External Dissemination of Policy
- Outreach and Positive Recruiting
- Internal Dissemination of Policy
- Responsibility for Implementation
- Training
- Audit and Reporting System
- Benchmark Comparisons

EQUAL OPPORTUNITY AND NON-DISCRIMINATION POLICY

The City University of New York (“University” or “CUNY”), located in a historically diverse municipality, is committed to a policy of equal employment and equal access in its educational programs and activities. Diversity, inclusion, and an environment free from discrimination are central to the mission of The University.

It is the policy of The University—applicable to all colleges and units— to recruit, employ, retain, promote, and provide benefits to employees (including paid and unpaid interns) and to admit and provide services for students without regard to race, color, creed, national origin, ethnicity, ancestry, religion, age, sex (including pregnancy, childbirth and related conditions), sexual orientation, gender, gender identity, marital status, partnership status, disability, genetic information, alienage, citizenship, military or veteran status, status as a victim of domestic violence/stalking/sex offenses, unemployment status, or any other legally prohibited basis in accordance with federal, state and city laws.

It is also The University’s policy to provide reasonable accommodations to applicants, employees and other persons on the basis of disability, religious practices, pregnancy or childbirth-related medical conditions, or status as victims of domestic violence/stalking/sex offenses.

This Policy also prohibits retaliation for reporting or opposing discrimination, or cooperating with an investigation of a discrimination complaint.

The City University of New York, located in a historically diverse municipality, is committed to a policy of equal employment and equal access in its educational programs and activities. Diversity, inclusion, and an environment free from discrimination are central to the mission of The University. REVIEW OF PERSONNEL PROCESSES

Our goal is to ensure all personnel activities are consistent with the goal of providing equal employment opportunity for employees and applicants who are Individuals with Disabilities and/or Protected Veterans. To that end, we periodically review our personnel processes for potential barriers to employment, training, and promotion.

The College’s personnel processes do not stereotype Individuals with Disabilities or Protected Veterans or otherwise limits their access to jobs for which they are

qualified; further, the College strives to include Individuals with Disabilities and Veterans in media such as college publications and websites.

We invite employees to self-identify through an online system available in CUNY's Employee Self-Service Portal. We invite applicants to self-identify through CUNY's online recruiting system with each application. The University maintains this data in its system of record with appropriate security measures for confidentiality of individual information. As was described in Part Two, the College conducted a self-identification campaign in 2018.

REVIEW OF PHYSICAL AND MENTAL QUALIFICATIONS

Our goal is to ensure that all physical and mental qualifications and requirements are job-related and consistent with business necessity and safe performance of the job. We periodically review the College's physical and mental qualifications and requirements as they relate to employment, training, and promotion.

We will repeat a review of a given position when there is a change in working conditions that may influence the job's physical or mental requirements. Examples may include new work requirements or new equipment. As new job qualifications are established, the College will review them to ensure that they would not screen out qualified Individuals with Disabilities or Protected Veterans. To the extent that such a situation might occur, the College takes steps to ensure the requirements are essential functions of these particular jobs.

The University's Civil Service unit reviews job requirements for potential issues at prior to issuing revised Civil Service specifications. The University also provides a checklist for planning a recruiting effort that includes a sign-off on a review of job qualifications.

REASONABLE ACCOMMODATIONS

The College provides reasonable accommodations to physical and mental limitations of applicants and employees who are Individuals with Disabilities or Disabled Veterans. As per *CUNY Procedures for Implementing Reasonable Accommodation and Academic Adjustments*, the Human Resources Director is responsible for responding to requests by applicants for employment, current employees and visitors. Anyone may request an accommodation by contacting the Human Resources Office.

The College contact accommodation requests is:

Name: Office of Equal Opportunity & Diversity Management
Phone: (718) 368-6896
Email: AskOEO@kbcc.cuny.edu

CUNY Procedures for Implementing Reasonable Accommodation and Academic Adjustments is available on CUNY's website.

[Click for CUNY's Policies](#)

<http://www.cuny.edu/about/administration/offices/ohrm/policies-procedures.html>).

Applicants for employment may request accommodations to physical and mental limitations during the recruiting and interviewing process. The procedure is provided on the Employment Page of the CUNY Website and [Kingsborough Community College Job Listings](#). The text of the statement is as follows:

Any applicant who requires an accommodation for a disability in order to apply for a position or proceed with the job search process should contact the Human Resources office at the College posting the position (list at www.cuny.edu/employment/campus-hr.html) or contact the Office of Recruitment and Diversity at jobs@cuny.edu or at 395 Hudson St., New York, NY 10014.

As per University policy, the College also provides reasonable accommodations to individuals based on a disability; pregnancy, childbirth, or a medical condition related to pregnancy or childbirth; religious practices and status as a victim of domestic violence, sex offense or stalking.

In the last year:

- While recognizing that many requests are resolved through an informal process, the College responded to **13** official requests for employee accommodations, for which the process was successfully concluded **8** times and appealed **zero** times. At this time there are **no** outstanding appeals.
- The College responded to **zero** requests for reasonable accommodation from job applicants.
- The College upgraded and maintained campus facilities to improve access in: In order to ensure that students with disabilities have the right kind of furniture in labs, KCC replaced **33 fixed desks** with adjustable desks to accommodate wheel chairs of different heights.

Re: Reaffirmation of Commitment to Diversity/Equal Opportunity/Affirmative Action

The City University of New York (CUNY) has a long-standing commitment to diversity and equal opportunity in all aspects of employment practices. At Kingsborough Community College, I fully support the policies and practices that we have implemented to foster non-discrimination, affirmative action, and diversity and inclusion in the workplace. It is my personal belief that CUNY is enriched by the strengths of the people and perspectives represented here. Accordingly, I am committed to oversee Kingsborough's compliance with local, state, federal, and CUNY Policies and Procedures on Equal Opportunity, Non-Discrimination, and Sexual Misconduct.

CUNY's Equal Opportunity and Non-discrimination Policy sets forth the University and its campuses' commitment to recruit, employ, retain, promote, and provide benefits to employees regardless of race, color, creed, national origin, ethnicity, ancestry, religion, age, sex, sexual orientation, gender, gender identity, marital status, partnership status, disability, genetic information, alienage, citizenship, military or veteran status, unemployment status, pregnancy, or status as a victim of domestic violence/stalking/sex offenses, or any other legally prohibited basis in accordance with federal, state and city laws. I remind you that Italian Americans, status as "caregiver" and credit history are included among CUNY's protected groups. Additionally, as a federal contractor, CUNY engages in affirmative action consistent with federal requirements. I invite you to visit our website, www.kbcc.cuny.edu or www.cuny.edu, to view the Equal Opportunity Policy in its entirety, including the complaint procedures and prohibition against retaliation.

I have assigned the responsibility for the implementation and monitoring of our compliance program to the Office of Equal Opportunity & Diversity Management (OEO) headed by Chief Diversity Officer, Victoria A. Ajibade, Esq. Ms. Ajibade also serves as Kingsborough's 504/ADA Coordinator and oversees the work of the College's Title IX Coordinator, Brian J. Brennan, Jr. The vice presidents, deans, directors, managers and supervisors share responsibility for ensuring our compliance with these policies and laws. OEO is located in the E Clusters in Suite E115 and the telephone number is (718) 368-6896. You may also email OEO at: AskOEO@kbcc.cuny.edu. Additionally, any individual who believes that he or she has experienced employment discrimination should immediately contact OEO.

I ask for your continued support to ensure equal opportunity, affirmative action, and diversity and inclusion in all employment practices at Kingsborough.

APPENDIX E-1 - ADMINISTRATOR / STAFF UTILIZATION BY JOB GROUP

Kingsborough CC

Appendix E-1 presents utilization and underutilization of protected groups by job group. A group is displayed only when there are five or more employees assigned to it.

Underutilization occurs where the utilization of a protected group is less than 80% of Labor Market Availability. We calculate a number approximating the number of full-time employees that would be needed to make utilization equal to the labor market. Where utilization is zero (0), underutilization exists but not to the level of one full-time equivalent employee. Blanks indicate no underutilization.

Underutilization numbers represent specific placement goals as prescribed for federal Affirmative Action Plans.

Total Minority is comprised of Asian/Hawaiian/Other Pacific Islander, Black/African American, Hispanic/Latino, American Indian/Alaska Native and Two or More Races.

APPENDIX E-3 - FACULTY UTILIZATION BY DISCIPLINE/PROGRAM

Kingsborough CC

Appendix E-3 presents utilization and underutilization, of faculty members in protected groups ,by academic discipline withing job group. A group is displayed only when there are five or more faculty assigned to it.

Underutilization occurs where the utilization of a protected group is less than 80% of Labor Market Availability. We calculate a number approximating the number of full-time employees that would be needed to make utilization equal to the labor market. Where utilization is zero (0), underutilization exists but not to the level of one full-time equivalent employee. Blanks indicate no underutilization.

Underutilization numbers represent specific placement goals as prescribed for federal Affirmative Action Plans. Note that the official underutilization measures are those calculated for the academic discipline, which may comprise more than one department.

Total Minority is comprised of Asian/Hawaiian/Other Pacific Islander, Black/African American, Hispanic/Latino, American Indian/Alaska Native and Two or More Races.
