**Academic Advisement Center Mission Statement**

The Academic Advisement Center supports and promotes campus-wide advising year round while recognizing the autonomous nature for advising within the academic departments.

The center will strive to maintain a supportive environment where academic advising is a holistic process through which students receive assistance and clarification about their academic career and life goals.

Academic Advisors will serve as facilitators of communication who work with students to encourage them to become more knowledgeable and responsible for planning their academic careers.

Academic Advisors will also provide accurate information to students regarding general college policies and procedures, referrals to campus services and other departments throughout the year.

***REGISTER TODAY, DO NOT DELAY!!***
