TEXTBOOK: Boyd, Mary Ann (2008) Psychiatric Nursing: Contemporary practice 4th^d edition
LWW, Philadelphia.

Read the first 17 chapters before classes begin **The Syllabus is on the Nursing dept website: www.kbcc.cuny.edu/departments/nursingdepartment/coursesyllabus.** Assignments, designed to help you be successful, are on Blackboard. Bring completed assignments weekly to labs.

CLINICAL is 8 to 4 pm Wednesday, Thursday or Friday or 4 to 12 pm Thursdays.

Clinical sites are: Coney Island Hospital, Lutheran Medical Center, Maimomides Medical Center

Please bear this in mind when planning your work schedules and when choosing other courses.

ALL students must have health clearance, malpractice insurance, and a valid CPR certification prior to the start of classes. Please retain a copy of each of these; some of the clinical agencies require a copy of this documentation for their records.
