***Students* may not perform their clinical rotation in a facility in which they are employed. It is the student’s responsibility to notify the nursing office.**

The **syllabus** is online at the Kingsborough Community College website (Nursing Dept.) This must be downloaded from home.

*****There is also a Fluid and Electrolyte case study on the KCC website under the Nursing Department (Forms section) that ***MUST be completed prior to the first lecture. Please bring a copy of the completed case study to the first day of class.**

*****STUDENTS WILL BE TESTED ON THIS MATERIAL THE FIRST DAY OF CLASS!*****

Blackboard *****MUST** be accessed prior to the first day of class for announcements and pertinent information/documents and **bring these documents** (e.g. lecture schedule, day to day, Power Point, etc) to the first day of class.

ALL students must have health clearance, malpractice insurance, and a valid CPR certification prior to the start of classes. Please retain a copy of each of these; some of the clinical agencies require a copy of this documentation for their records.

NOTE WELL: All students **MUST** use the Test Taking Strategies during the first two weeks of the semester. This is available in all computer labs on campus as well as the nursing lab. Additionally, there are computer programs: Cardiovascular, Respiratory, Gastrointestinal, Genitourinary and Endocrine. Students may wish to use these programs during the summer. Contact the computer labs and/or the nursing department to determine available time periods.
