Welcome to Nursing the Emotionally Ill. The Fall 2022 Semester of Nursing 2000, both lectures and labs, will be taught on-campus. Clinical will also be taught on-site for your assigned section. Additional information will be provided on the first day of the lecture. Below is information relating to clinical schedules for lecture, clinical and laboratory sections for Nursing 2000.

**Clinical Requirements:**
- All students must have health clearance (physical exam required annually), valid CPR certification and verification of a background check/medical clearance by Castle Branch, verification of Vaccination of influenza vaccination (with Lot #& Expiration date), and COVID-19 before the start of classes. **A copy of the verification of your influenza vaccination must be brought to the clinical agency on the first clinical day.** Please retain a copy of these documents for future use. You may also need a copy of the above for other clinical sessions. Failure to have the above documents will result in a clinical absence.
- **Please Note:** You are no longer required to purchase individual malpractice insurance as CUNY has purchased a policy that covers all nursing students.
