Dear Nursing 21 Students,

Welcome to Nursing 2100 FALL 2022 and Congratulations for making it this far! Enclosed you will find important and useful information to be successful in Nursing 2100. Please read through this letter very carefully and ask the faculty about anything you are unsure of. By adhering to the course guidelines, our suggestions and completing all readings and assignments, you can be successful in the course.

LECTURE INFORMATION:

Please refer to Blackboard for all assignments as some are due the first week of class.

1. REQUIRED ELECTRONIC TEXTBOOK:

There are two ISBNS for Coursepoint for Hinkle. The products are the same, it is just the delivery that changes the number, **and it is extremely important** that you only purchase using either of these ISBNs, as failure to do so will lead to compatibility problems with course resources:

Retail Purchases (Bookstore) : 9781975186777   OR  
Direct/Microsite Purchase:9781975186814  

Please Note: this option is the most cost effective and comprehensive. It does not include hard copy printed textbook or study guide. If you want print in addition to Coursepoint, that is an extra fee and is available by calling customer service after redeeming your code on thePoint.lww.com. Customer service can be reached at 800-638-3030 and you can request to purchase the print on demand.

Steps to purchase your Lippincott Products at the most affordable price ($258.75 for Coursepoint + for Hinkle)
