**Poem by: Hasan Nawaz (KCC student)**
**Title: Reflection (Service Learning)**

Sharing knowledge and experience is a priceless act,
The ones receiving may not comprehend the value of its depths.
Serve not for attention or applause.
Serve to be useful to others,
Despite getting no response.
Goals were to grasp, hold, and intrigue,
Open their minds to possibilities they may not be able to see.
The fear of stumbling, mumbling, or fumbling was always present,
However, self-belief and confidence supplanted my fear of behaving quiescent.
To those who continue on this tradition,
Believe in your potential,
Speak with conviction,
Sharing an aspect of your college journey may inspire another to begin their climb.
I thank you for this opportunity,
And I hope I will achieve what I set out to seek.
