TO: Fall 2020 Curriculum Committee

FROM: Prof. Alley-Young, Chair, Department of Communications & Performing Arts,

DATE: 09/18/2020

RE: Change in Credit Hours for SPE 4000 - Phonetics

The Department of Communications & Performing Arts is proposing a change in Credit Hours for SPE 4000 - Phonetics

FROM:

3 Credits, 3 hours lecture

TO:

4 Credit, 4 hours lecture

RATIONALE:

The addition of 1 hour; 1 credit will allow for better coverage of the topic of perception and transcription of speech and opportunities for application of course material to realistic examples of speech with instructor feedback. This change corresponds with the same curricular change at Brooklyn College where our Speech Pathology Concentration students will transfer to complete their undergraduate degrees.

SPE 40 Phonetics

Textbook: Small, L. (2019). Fundamentals of Phonetics: A Practical Guide for Students.

Fifth Edition. Boston: Allyn & Bacon.

Speech Communication Major

The Dept. of Communications and Performing Arts offers an A.S. in Speech Communications with concentrations in either Communication Studies or Speech Language Pathology. This course is a required course for those in the Speech Pathology concentration. Students must achieve a final grade of B or higher in this course in order for it to be accepted by Brooklyn College. For further information, make an appointment with the Director of Speech Communications in E309 and visit: https://www.kbcc.cuny.edu/academicdepartments/communication/Pages/default.aspx

Course Description

Introduction to different aspects of phonetics and their relationship to language. The sounds of English and International Phonetic Alphabet which symbolizes those sounds will be included. Theoretical foundations of phonetics will be explored as they relate to normal and abnormal language development as well as speech correction and improvement.

Major Topics

- Overview of field of phonetics
- Anatomy of articulatory system
- Broad and narrow transcriptions
- American English vowels sounds
- American English consonant sounds
- Connected speech: co-articulatory processes and suprasegmental aspects
- Child speech: normal and disordered processes

Course Objectives

Upon successful completion of this course, students will be able to:

- Identify American English phonemes using the International Phonetic Alphabet (IPA)
- Recognize, label and describe the major parts of the articulatory system
- Describe the place and manner of articulation of American English phonemes
- Identify articulatory and acoustic categories of sounds
- Recognize and label the processes that occur in conversational speech
- Recognize and label the processes that occur in disordered speech
- Recognize differences in adult speech, child speech, and disordered speech
- Transcribe isolated words and connected adult speech
- Transcribe disordered speech
- Use diacritics in transcription to detail certain differences in phoneme production

Course Guidelines

- Grading: Quizzes and Exams
 - NO make-ups permitted
 - 5 quizzes = 33% (One lowest quiz grade will be dropped)
 - Midterm Examination = 33%
 - Final Examination = 33%: 1) in-class transcription=32% 2) comprehensive final exam=68%
 - Class participation = Reflection on final grade

- If you have a documented reason for missing an exam, talk to me *before* the exam about what your options might be
- Class grades are as follows: 96-100 A+, 93-95 A, 90-92 A-, 87-89 B+, 83-86 B, 80-82 B-, 77-79 C+, 73-76 C, 70-72 C-, 66-69 D+, 60-65 D, 59-0 F

Attendance:

- Missing 15% of classroom hours (for whatever reason) = failing grade (WU). Under certain circumstances grade may be lowered at professor's discretion.
- Please be on time. Lateness causes classroom disruption and the missing of material covered in class. Students arriving after the roster is taken are late. There is no discernment between fewer minutes late. Two late arrivals equal one absence (over 30 minutes late equals one absence).

Classroom Etiquette:

- Plan on remaining in class for the entire hour in order to obviate possible distraction.
- If you must leave early, please let me know at the beginning of class.
- Turn off all cell phones and beepers.
- No food or drinks in classroom.

Academic Integrity:

- Academic dishonesty will not be tolerated. Avoid even the appearance of cheating.
 Consequences of academic dishonesty failing grade, suspension, and expulsion. Examples of
 academic dishonesty include cheating, plagiarism, internet plagiarism, obtaining unfair
 advantage, and falsification of records.
- **Plagiarism** is the act of presenting another person's ideas, research, or writing as your own (see the CUNY Policy on Academic Integrity link on KCC's homepage or in the course catalogue).
- **Cheating** is the unauthorized use or attempted use of material, information, notes, study aids, devices, or communication during an academic exercise (see CUNY Academic Integrity Policy)
- Civility Statement: Civility in the classroom and respect for the opinions of others is the foundation of educational excellence. Courteous behavior and responses are expected. Students, faculty, and staff have a right to a safe environment, free of disturbance, and civil in all aspects of human relations. Acts of harassment and/or discrimination based on race, gender, sexual orientation, religion, and/or ability will not be tolerated.
- Accessibility Statement: Access-Ability Services (AAS) serves as a liaison and resource to the KCC community regarding disability issues, promotes equal access to all KCC programs and activities, and makes every reasonable effort to provide appropriate accommodations and assistance to students with disabilities. Your instructor will make the accommodations you need once you provide documentation from the Access-Ability office (D-205). Please contact AAS for assistance.
- O Pregnancy Statement: Kingsborough Community College does not discriminate against any student on the basis of pregnancy or related conditions. Absences due to medical conditions relating to pregnancy will be excused for as long as deemed medically necessary by a student's doctor and students will be given the opportunity to make up missed work. Students needing assistance can seek accommodations from Access-Ability Services at 718-368-5175 or Title IX Coordinator at 718-368-6896.

Original Course Schedule – 3 credits/3 hours (Subject to change at professor's discretion.) Readings should be completed <u>PRIOR</u> to class discussion.
