Emergency Medical Technicians (EMTs) are the first members of the health care team to respond to a medical emergency.

Kingsborough Community College is a NYS Department of Health certified training center, and is pleased to offer an Emergency Medical Technician Basic (EMT-B) course designed for first-responders to medical emergencies. This EMT certification program prepares you for the New York State Department of Health, Bureau of Emergency Medical Services certification, which is valid for three years.

Call (718) 368-5050 for more information and to reserve a qualifying seat for the next EMT-B Test Prep and Certification Course.

Applicants must be able to read and write English, be at least 18 years of age, and pass a pre-registration screening interview.
