Test Preparation

TEST PREPARATION

High School Equivalency (GED) State Exam Preparation

Every year, HUNDREDS of adults who prepare at Kingsborough earn their GED diplomas, and many then go on to Kingsborough Community College's degree programs!

- One of the best instructional programs to prepare you for the GED exams
- Six different instructional levels
- Class assignments based on your needs
- Test-taking practice with mini-GED's based on the Official GED exam
- Anxiety reduction and test taking skills
- Writing workshops to improve writing skills and prepare for the essay portion of the exam
- Assistance in getting scheduled at our GED Testing Center as soon as you are "test-ready"
- Streamlined admission to Kingsborough Community College and counseling regarding other City University programs

You must be 18 years of age or older to enroll, and you must be 19 to take the New York State exam.

For more information: Call 718-368-5188 after 6pm

HSE 00 High School Equivalency (T) \$150

TueWedThur 6:45-9:45pm July 5-August 17
(Book and calculator not included)

Note: You will need a Casio Solar FX 260 calculator for this class. You may purchase the calculator in the KCC Bookstore.

HSE 00H Contextualized Healthcare/ High School Equivalency **NEW!** \$150

TueWedThur 6:45-9:45pm July 5-August 17

This course is excellent for students interested in continuing their studies in healthcare related programs. You will learn basic knowledge of healthcare issues while preparing for your GED test. All of your GED subject materials will be healthcare related. You will need to take a placement exam to determine eligibility.

Call 718 368-4870 for more information.

RTP 12 Math Skills Builder for Pre-GED Students (T) \$75

TueWedThur 5:10-6:30pm July 19-August 11

This class may be taken concurrently with the GED program and is designed to improve your score on the math subtest. Only those students enrolled in GED classes will take the practice test that is required to sit for the NYS GED exam.

CTI 70 CUNY Start \$75

Mon-Fri 9:30am-3pm Fall & Winter Semester

A new program for GED graduates who did not pass the Writing or Math ACT exams. Intensive instruction in Reading, Writing and Math as well as individualized counseling.

Call (718) 368-4500 or come to room T4118 before 5pm.

HSE 70 Comprehensive High School Equivalency (T) \$255

Mon-Thur 9am-3pm June 27-August 8

This comprehensive 144-hour class will prepare you for the State GED exam. Improve your skills and acquire test-taking strategies to help you pass the practice test, which is required in order to be eligible to sit for the NYS GED exam.

Call 718 368-4870 for more information.

SAT Test Preparation

RTP 01 SAT Preparation (T) \$285

TueWed 6:30-9:30pm July 5-August 16

An intensive course for high school students preparing for the October 1, 2011 SAT, this course provides expert advice and instruction. Certified instructors provide review and practice under simulated test conditions to help prepare students for the verbal reasoning, essay portion, and problem-solving skills measured by the test. Study skills, coaching and test-taking tips are provided, as well as individual and group conferences with a certified college counselor.

Please bring your book to the first class—available in the bookstore.

Test Preparation/Wellness

Computer User's Corner

RCL 32 Excel™ Basics \$150
MonWed 6:45-9:45pm July 11-August 10

This course builds upon the introductory course. It explains financial functions, worksheet data bases, creating templates, putting Excel™ data on the web and linking Excel™ worksheets to Word documents.

Prerequisite: Knowledge of Windows™

RCL 38 Adobe Photoshop™ \$150
TueThur 6:45-9:45pm July 12-August 11

Photoshop™ is a retouching and image-editing program. This course introduces Photoshop's™ extensive toolbox and covers scanning, image transformation, and preparing files for export and printing. Ideal for people with digital cameras.

RCL 39 Getting Started with Computers (T) \$150
MonWed 6:45-9:45pm July 11-August 10

For absolute beginners, learn the basic elements of a Microsoft Windows™ equipped PC—the terminology and recommendations for an effective computer configuration. The course also includes an introduction to popular business software and using the Internet.

NOTE: It is recommended that students bring a Flash Drive or other portable data transport device.

RCL 41 Computers for Mature Adults \$150
TueThur 6:45-9:45pm July 12-August 11

This course is designed specifically for adults, 55 or older, who want to learn about computers. Through patient hands-on instruction, adults will explore Windows™ and learn about software packages. This is the perfect course for new entrants to the "age of computers."

RCL 71 Computer Keyboarding for Speed and Accuracy \$150
TueThur 6:45-9:45pm July 12-August 11

Our instructors use a battery of exercises, each designed precisely to drive home critical skills for beginner & experienced users. You can acquire full performance high-speed/high-accuracy keyboarding skills.

TEC 53 Website Technology I \$540
TueThur 9:10-11:20am Sept. 13-Dec. 8

This is a basic course in website technology. It will focus on the elements of constructing web sites for publication on the World Wide Web.

Call Prof. Donin for a brief evaluation 718-368-5655

TEC 57 The Computer as a Design Tool \$540
TueThur 12:40-2:50pm Sept. 13-Dec. 8

Illustrators, designers and desktop publishers learn basic concepts and receive hands-on experience in the use of a major computer illustration program.

Call Prof. Donin for a brief evaluation 718-368-5655

One Day Computer Seminars

RCL 13 Introduction to Microsoft Word™ \$90
One session: Wed July 20 9:30am-4pm

This one-day course is designed for the novice in word processing. Learn how to create, edit, format and print documents and insert pictures into your document.

RCL 12 Microsoft Excel™ : Fundamentals \$90
One session: Wed July 27 9:30am-4pm

This introductory course teaches the fundamentals of entering, editing, formatting and printing spreadsheets, as well as the use of simple formulas, functions, and printing options.

RCL 16 Microsoft PowerPoint™ : Basics \$90
One session: Wed August 3 9:30am-4pm

Learn to "jazz up" your presentations. We will introduce charts, graphs, text insertion, visual components, and teach you to customize presentations.

Music & Dance

NMU 71 Piano: Beginner \$80
Thur 7-9pm July 14-August 4

You will receive a thorough foundation in notation, fingering, and rhythm. Learn how to play familiar tunes.

NDA 53 Latin Dancing \$80
Mon 6:30-8pm July 11-August 1

Learn to dance the Salsa, Rhumba, Tango, Cha Cha and Meringue.

NDA 67 Continental Dancing \$80
Tue 6:30-8pm July 12-August 2

Learn the Tango, Fox Trot, Waltz, Samba, Rhumba, and more.

Money Management

VBM 20 How to Buy Foreclosed Property \$75
Tue 9-5pm August 2

Topics covered include creative financing, avoiding most legal problems, finding foreclosed properties and the bidding process. We will use the internet to search for foreclosures.

NOTE: Taking this course will not guarantee success. Investing is highly speculative.

Language

NLA 20 Sign Language: Beginner \$75
MonWed 6:30-8:30pm July 11-August 1

This introductory course will cover basic signing while touching on the mystery behind American Sign Language.

Register early! Call: 718-368-5050

SOME CLASSES FILL UP QUICKLY

Sports & Fitness

Urban Agriculture Practicum

Food Production

VTO 28 Urban Farm Training Program

Mondays and Wednesdays 10am-4pm

\$285

Session I: June 15-July 27 OR Session II: July 25-August 31

This program will provide urban farming expertise and knowledge about building a more sustainable food system. The program emphasizes experience and practical skills. You will learn how to build beds, plant seeds, harvest crops, and prepare them for steps in between. You will develop expertise in the rapidly expanding local food economy and will gain valued ground-level knowledge of the farm-to-table production chain. You will also take home produce fresh from the farm at the end of every work week. Our farm is a high production, year-round site on the KCC campus with a hoophouse composting system, and rain water collection system.

Registration fee: \$25 Materials fee: \$30 additional

The farm will be in operation all year, so keep an eye out for our Fall farming schedule. Farmers are required to attend all scheduled workdays, rain or shine.

Be prepared! Be committed!

Please bring: Clothing, shoes and a hat appropriate for working outdoors that you don't mind getting dirty, water, a snack, a notebook and a pen.

The Brighton Ballet Theatre at Kingsborough

Summer 2011 Dance Enrichment Programs

This summer, The Brighton Ballet Theater (BBT) offers Dance Enrichment Programs as an accommodation to working parents. The BBT is offering a variety of dance classes for children as an extension to the Kingsborough College For Kids program.

Monday thru Thursday Option: Any day or all days - Call 718-769-9161 for more information

Dance classes are offered immediately following Kingsborough's College For Kids program. Children will be escorted by the Theatre's staff from the snack period to T7's dance studios. See dance classes described below.

Friday Option: Half-day - July 15-August 19, 2011 9:15am-1pm

The BBT's half-day dance enrichment program provides a dance experience with fun workshops, as listed below.

Friday Option: Full-day - July 15-August 19, 2011 9:15am-5:15pm

The BBT's full-day program includes lunch and a snack. This dance enrichment program offers a wide variety of fun workshops led by expert dance instructors. The program's dance experience includes dance classes and workshops that include, "Fairy Tales in Motion," "Understanding the World through Dance," "Music in Action," "Why Dance?," and "Jump for Joy."

Professional dance classes include: classical ballet at all levels (Russian method), International folk and character dance, rhythmic-gymnastics, modern, Latin, ballroom, jazz, and hip-hop dances. In addition to these exciting classes, The BBT's Friday program offers music appreciation, costume design, Pilate's for children, and more.

For pricing and more information: Call Vladimir Lepisko at 718-769-9161

One FREE trial class available! Discounts and scholarships are available!

NOTE TO PARENTS

- We have experienced, caring instructors and staff who provide adult supervision on Kingsborough's beautiful and secure campus.
- Parents themselves may enroll in a morning course.
- Come to Kingsborough with your children. Make your mornings an opportunity for family learning!

It's Summer @ Kingsborough College For Kids

Join our exciting 4 or 6 week College For Kids Full-day program!

FULL-DAY PROGRAM ACTIVITY DESCRIPTIONS

ARITHMATRICKS

Learn to enhance your mental math skills that allow you to focus more accurately and learn a systematic approach to memorization.

AROUND THE WORLD

Learn about the cultures and customs of different countries. Read multi-cultural books, sing, dance and make crafts that represent different customs.

ART ATTACK

Paint, sculpt, make collages, explore texture and even make wearable art.

BAIT AND FISH

Learn fishing basics including knot-tying, casting, fish identification, angler etiquette and fishing regulations. Bring rod and reel to class.

CAPOEIRA, DRUMS & TAMBOURINES

Learn the Afro-Brazilian martial art of Capoeira and awaken your creative talents through drums, tambourines and other percussion instruments.

CRICKET

Learn how to bat, bowl and field while learning the rudiments of cricket - the world's second most played sport.

CRIMEBUSTERS

Use observation and critical thinking and learn detective science, how to stop bullies and how to take and analyze fingerprints, detect falsehoods, and more.

GADGETS, GIZMOS & GOOP

Experience life as a mad scientist in a lab full of bubbling potions and mechanical marvels.

GAMES OF STRATEGY

Bust your opponent's moves in mental battles. Succeed by plotting your strategy while anticipating the other players' moves in games like Chess, Checkers, Othello, and Backgammon.

GET IN THE ACT

Learn the poise, script writing, stage direction and vocal delivery that it takes to entertain friends and family.

GO FLY A KITE!

Explore aerodynamics, geometry and more by making your own kites and other flying apparatuses.

I AM AWESOME

You are a wonderful, unique and awesome person. Discover your strength and learn how words help us gain respect while protecting the rights of others.

INDOOR SOCCER

Learn the basic skills, rules and tactics of soccer. Practice kicking, trapping, passing the ball and shooting. You must wear sneakers.

MAGICIAN

Learn the secrets of the masters with card tricks, disappearing coins, balloons, and wiggling ropes.

PIANO

Learn to play songs on the keyboard in this fun introductory piano class.

SING WITH GLEE

Learn vocal technique, basic theory, ear training, improvisational ideas, finding the right keys to songs and so much more!

SPACE RACE

Become an astronaut and journey into space as you learn about the planets, stars and rocketry. Chart the course and discover the creative part of you.

SWIMMING

Beginners gain confidence in the water. For those with some swimming ability, emphasis is on kicking, stroking and breathing. Bring a combination lock, swimsuit and towel. There is a minimum height requirement of 52" to enroll in swimming.

TECH KIDS RULE

Have fun with digital music, web page design, e-cards and more! Every kid should learn these important technological skills necessary in this age of information.

TENNIS

Develop the skills to compete successfully at the ever-popular game of tennis. Materials required: One sealed can of 3 tennis balls and an appropriately sized racquet.

MASTER THE WEB

Learn about cyber safety, navigating the internet and how to build a website with state-of-the-art software. Each student will develop their own website and bring it home on a CD.
