Life Skills - A Career Guide for Young People

INTRODUCE YOUR CHILD TO A FUTURE DESIGNED BY HIM OR HER!

This course is based on the popular book "**LIFE, Inc. The Ultimate Career Guide for Young People**" by Neale S. Godfrey, LIFE, Inc., and will empower middle school students with the information necessary to help them focus on career options.

Students will explore choices in a fun-filled way with games, interactive exercises, and Virtual Role Models to visualize their future. In addition to its focus on life skills, this course will correlate to other standards of teaching such as Literacy Skills, U.S. History, Technology, Financial Literacy and Math Skills.

Offered as a supplemental course to our very popular **College For Kids** curriculum.

This course is designed for children between 10 - 13 years old. It is offered AM or PM on Saturdays from Oct. 4 to Nov. 22, 2008
9:45 am - Noon **OR** 1 pm - 3:15 pm

Course Code: CIK 10 • Cost: \$65*, plus \$20 registration fee.

*Textbook and other course material included.
