

Kingsborough Community College
Annual Priorities 2006-2007

- Enhance and expand learning communities.
- Complete the comprehensive review of general education.
- Increase external and internal IT infrastructure and enhance support for Blackboard (this includes obtaining adequate Internet bandwidth).
- Complete addressing and/or implementing the recommendations of the Liberal Arts Task Force.
- Systematize faculty outreach and orientation in a manner that facilitates interdisciplinary exchanges.
- Make every effort to ensure that students who place into developmental English and Math register for those courses as early as possible in their academic careers.
- Increase the number of classrooms with computer display devices.
- Implement an advisement program linked to student retention.
- Begin work on responding to the recommendations made by the Middle States Commission on Higher Education.
- Research and develop/expand new markets and populations with particular emphasis on Asian and Latino students.
- Increase collaboration between credit and non-credit programs.
- Review, update and implement the college's plans for business continuity and disaster recovery. Incorporate a technology disaster recovery plan.
