CHAM-CHL aims to increase pre-health scholars’ exposure and improve their understanding of how a patient’s social circumstance can impact health outcomes. Members engage in community and volunteer service activities that advocate for children and families to address health disparities. Members are provided mentorship and guidance to become leaders in medicine.

**Eligibility:**
- In college or recently graduated
- Be committed and professional

**Program Requirements:**
- Minimum of two (2) hours of weekly volunteering.
- Attend weekly meetings
- Complete Orientation and Conditional Acceptance period

**Spring Cycle Application Deadline: February 1, 2022**

Location: Montefiore Medical Center
Bronx, New York
