The College Council is run by the President of the college and meets as a large group twice a semester. Sub-committees meet as needed in between general meetings. The sub-committees include Strategic Planning & Budget Committee, Steering Committee, Curriculum Committee, Legislative Committee, Instructional Committee, Committee of Students, and Committee on Committees. The remaining 5 student seats on the Council are open to an at-large election.

Students who are elected on to the Judicial Affairs Committee will work closely with the campus Judicial Affairs Officer. They will be asked to review cases where students have allegation charges brought against them that are a breach of the Henderson Rules to Maintain Public Order or the Campus Code of Conduct. University Student Senate (USS)

USS is the SGA for all of CUNY. Each CUNY school elects 2 delegates (and 2 alternates) to sit on USS each year and represent the entire student body at university-wide meetings. In order to be eligible for USS, a student MUST run for, and win, an elected SGA position (officer or senator).

What are the requirements to run for office?

All students that are interested in running for a position must be in good standing with the College: you must not have a judicial record and have at least a 2.0 GPA. Presidents are required to have a 2.5 GPA (as per CUNY Board of Trustees, June 2001). First semester students are NOT eligible to run for or hold Student Government positions. Students must also carry a minimum of 6 credits and be matriculated to be eligible for a position. Requirements are verified each semester, and any student not meeting the academic, judicial, or enrollment requirements shall be considered ineligible and will be removed from the designated position.

What is the time commitment?

Being a member of Student Government is a big responsibility. As an officer, you will be expected to hold office hours each week in order to perform council-related duties and be available for students with concerns. Depending on your position, you may also be a member of other committees or boards on campus as well. Officers should expect to spend approximately 10 hours per week on SGA duties, while Senators should expect to spend 5-7 hours per week (inclusive of scheduled office hours). Members must attend their respective meetings, held as follows. ALL members attend General Body meetings.
