

Join us on **October 20<sup>th</sup>** from 2-3 & 3-4 p.m. in room **M239** for open recruitment/orientation.

*Approved by:*

Around 5,000 students and faculty from five continents will gather at the annual NMUN Conference to work together to propose resolutions addressing regional conflicts, peacekeeping, human rights, women and children, economic and social development, and the environment. NMUN programs provide students with a better understanding of the inner workings of the United Nations as they build skills in diplomacy and compromise.
