

Liberal Arts - Secondary Education Concentration, A.A

HEGIS: 5649.00

PROGRAM CODE: 01044

PROGRAM DIRECTOR: Dr. Jacob Segal

CONCENTRATION COORDINATOR: Dr. Chico Knight

The Liberal Arts AA degree provides a foundation in general studies through exploration of an array of subject areas under liberal arts and sciences. Concentrations provide students opportunity to focus in a specific area. Courses promote development and application of effective communication skills, quantitative and scientific reasoning, critical thinking and analysis, and applying knowledge of human cultures, language and the natural world to issues experienced across diverse communities. The degree provides opportunity for transfer to baccalaureate programs.

The Secondary Education Concentration provides a strong foundation in the social underpinnings of education, inclusive of pedagogic theory and practice, and the analysis of social forces that influence education. Students have the opportunity to focus on the academic area they are interested in teaching.

The curriculum presented here applies to students who started the major in Fall 2025 or Spring 2026. If you enrolled as a matriculant prior to that, please see the *College Catalog* for the year you started the major as a matriculant for the curriculum requirements that apply to you.

Consultation with the Program Advisor is required.
