HEGIS: 5649.00

PROGRAM CODE: 01044

PROGRAM DIRECTORS: Dr. Ann Del Principe and Dr. Sarah Dillon

CONCENTRATION COORDINATOR: TBD

The Liberal Arts AA degree provides a foundation in general studies through exploration of an array of subject areas under liberal arts and sciences. Concentrations provide students opportunity to focus in a specific area. Courses promote development and application of effective communication skills, quantitative and scientific reasoning, critical thinking and analysis, and applying knowledge of human cultures, language and the natural world to issues experienced across diverse communities. The degree provides opportunity for transfer to baccalaureate programs.

The American Studies Concentration is an interdisciplinary field that combines various disciplines such as history, literature, political science, sociology, and cultural studies. This interdisciplinary approach fosters critical thinking, analytical skills and a holistic understanding of American society, culture, and identity, which are valuable assets in today's diverse and interconnected world.

The curriculum presented here applies to students who started the major in Fall 2026 or Spring 2027. If you enrolled as a matriculant prior to that, please see the *College Catalog* for the year you started the major as a matriculant for the curriculum requirements that apply to you.

Consultation with the Program Advisor is required.
