

Enrollment Management Update – November 2021

11/1/2021

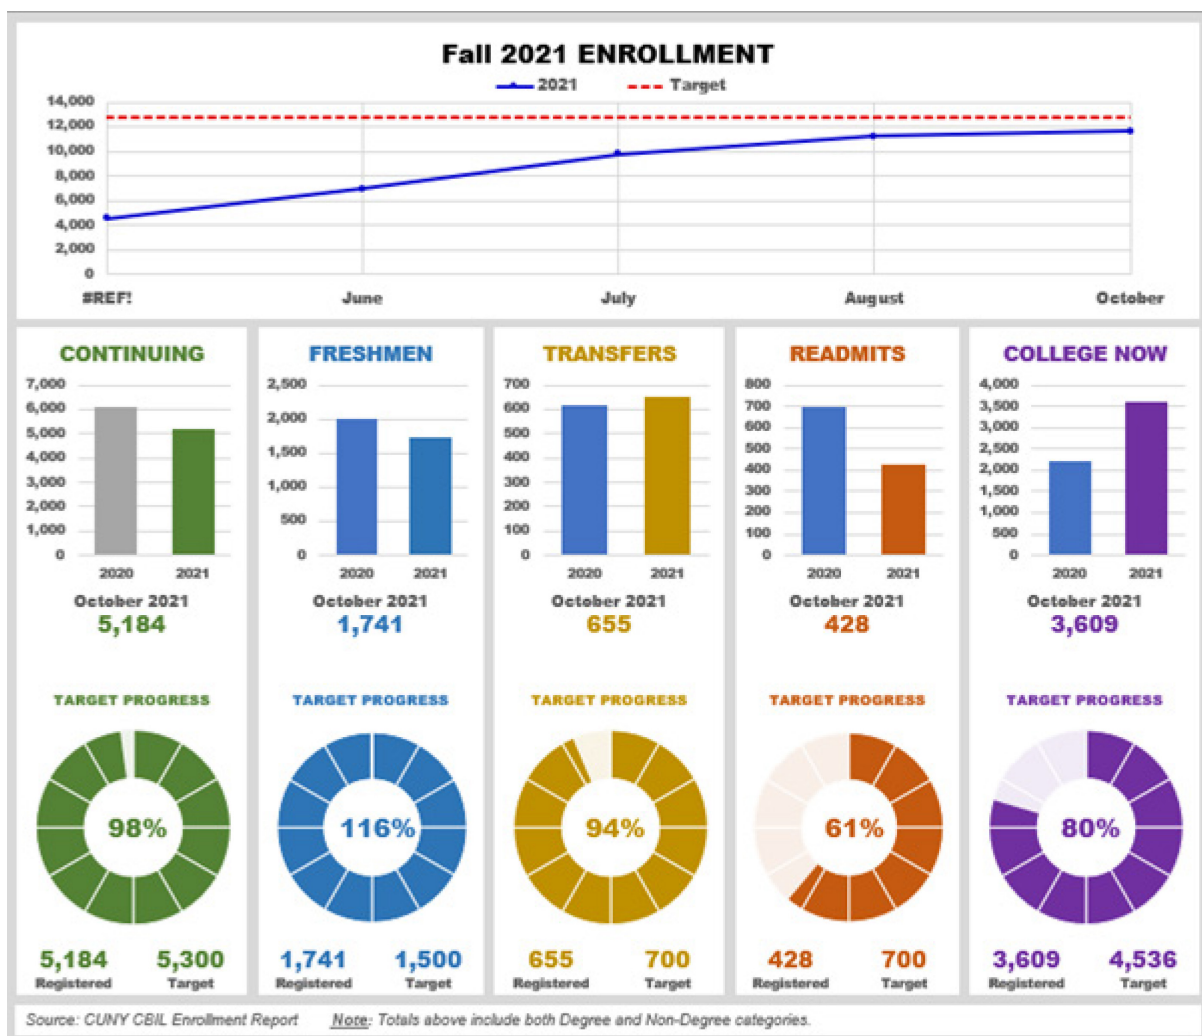

Dear Campus Community,

Please find attached the Enrollment Management Update for November 2021. In addition to reporting enrollment stats, we are also providing a summary of college-wide efforts to improve enrollment. Feel free to reach out if you have any questions or need more information.

Enrollment:

Below are the enrollment numbers as of October 30, 2021. The official Fall 2021 college enrollment is **11,617**.

College Now enrollment does not generate FTE's for the college and tends to enroll most of their students after the semester has started.

The numbers are finally in!!! You will note that our final numbers for Fall 2021 are 11,617.

We came close of our enrollment number from Fall 2020 which was 11,636. There are enrollment declines throughout CUNY, but particularly at the Community Colleges.

- **Winter, Spring and Summer 2022 Registration**

- Registration begins today, November 1, 2021.
- Continuing students can register based on their assigned appointments and are encouraged to register early to receive a schedule that fits their needs.
- New freshmen and transfer students will begin registering November 29th.
- A big shout out to Communications for setting up our Winter, Spring and Summer 2022 information page <https://www.kbcc.cuny.edu/StudentChecklist/index.html>.

- **WA Grades**

- Students who failed to upload their COVID 19 vaccination information and are registered for an in-person or hybrid course, will be administratively withdrawn with a grade of WA. Students who paid out of pocket will be able to receive a refund for the tuition of the course(s) dropped.

- **Admissions/Recruitment**

- The first recommendation file for Spring 2022 from CUNY showing students applying for Kingsborough was received on October 20, 2021. The Office of Admissions Services is uploading, updating, and clearing students to prepare them for registration.
- The college has procured a Recruitment van that will allow for more exposure/advertising. The Recruitment team took it out for their first in person event at Sunset Park High School on October 27th.
- The college's recruitment cycle has already started. The team has already started recruitment at in person events as well as virtual ones. We encourage faculty to join us and talk about your programs with prospective students. If you are interested in joining the recruitment team on an outing or a virtual information session, please contact Velma Barton at Velma.Barton@kbcc.cuny or 718.368.5946.
