RE:

Change in prerequisite to Linear Algebra (MAT 05600)

The Department of Mathematics & Computer Science is proposing a change in prerequisite for Linear Algebra (MAT 05600)

FROM:

MAT 01500

TO:

Grade of "C" or better in MAT 01500

Rationale for Change: Students require a "C" or better level of proficiency in the subject matter of MAT 01500 to enable success in MAT 01600. Moreover this change has been recommended for all CUNY Colleges by discussion of the CUNY Mathematics Discipline Council.
