We look forward to having you teach in the College Now Program this spring. You are scheduled to teach the course(s) listed here: [Instructor IDs - Google Sheets](#)

How to view your EMPLID in CUNYfirst to see your scheduled courses:

Watch tutorial video (https://www.youtube.com/watch?v=E7m_bqk-H7o) if you have not claimed your CUNYfirst account yet.

Once logged in select “CUNY Alert.” Your 8-digit EMPLID will be listed at the top of the screen:

For each of your classes, you will need to complete a separate a **Google Form** (link below) which will be used as your calendar for the term. If this link doesn't work correctly when clicked, just copy and paste the link into your web browser.

Refer to the Spring 2025 Calendar of non-teaching dates (on the next page) when planning your schedule of classes. Indicate the days and time that you will be teaching and the days that you will be holding office hours. Only teachers who will be teaching 3 or more credits this term will be required to hold office hours. For those who are teaching 3 separate 1 credit courses, you should add the 15 office hours to 1 of your forms (the other 2 forms do not need to have the office hours added).

- If your class is 1-credit, you must have 750 minutes (12.5 hours) of instruction and 0 office hours (unless your total credits taught this term are 3 or more)
- If your class is 2-credits, you must have 1500 minutes (25 hours) of instruction and 0 office hours (unless your total credits taught this term are 3 or more)
- If your class is 3-credits, you must have 2250 minutes (37.5 hours) of instruction and 15 office hours
- If your class is 4-credits, you must have 3000 minutes (50 hours) of instruction and 15 office hours
