

# A PEDAGOGY OF KINDNESS

Facilitated by Professor Gabrielle Kahn  
(English)

A Pedagogy of Kindness by Dr. Catherine Denial articulates a fresh vision for teaching—one that centers on ensuring justice, believing people, and believing in people. Drawing on evidence-based insights and her own rich experiences as a professor, Denial offers practical strategies for reshaping syllabi, assessing student performance, and fostering trust and belonging in the classroom. Her suggestions for concrete, scalable actions outline nothing less than a transformational approach to education—one in which we create bright, compassionate spaces where all those engaged in teaching and learning can truly thrive.
