Dear Kingsborough Community College Community:

I am pleased to provide an update on the search for the next President of Kingsborough Community College. After months of diligent effort, the Kingsborough Community College Presidential Search Committee has identified three finalists. These individuals were chosen from a highly qualified pool of candidates, based on their alignment with the qualifications and qualities outlined at the start of this process. The committee is confident in the caliber and potential of these finalists to lead our Kingsborough into the future.

In the coming weeks, the finalists will engage in further confidential interviews with various Kingsborough constituent groups as well as the Chancellery. We anticipate that these discussions will provide valuable insights as we move closer to selecting the ideal leader for Kingsborough. The CUNY Executive Search Office will soon provide details about the (upcoming meetings) finalists' campus visits, and I encourage everyone to stay informed about this important phase of the process.

On behalf of the search committee, I extend heartfelt thanks for your continued interest and support throughout this search. I would also like to take this opportunity to express my deepest gratitude to the dedicated committee members for their unwavering commitment and invaluable contributions.

All the best to Kingsborough!
